Village of Fireflies
Resting place

- From Kazusa-Azuma / 上総東 station of Isumi Railway to the Firefly Village Resting Place leads a road 3.4km (2.11 miles) long. It would be easier by car but it would be more exciting walking in the dark, searching for firefly watching spots since there are several good points on the way.

- You can observe fireflies from around 19:30 to around 21:00.

Caution! : Last train of Isumi Railway leaves at 20:22 from Kazusa-Azuma for Ohara.

- Two 'don'ts' in the area.

1. Don't capture any fireflies.
2. Don't leave any garbage or trash.
